FIVE CENTS.

## FOOTBALL GAME WITH ST. JOHNS TOMORROW

**G. W. U. Gridironers Will Also See Georgetown Team In Action**

**T. C. GARNER MADE STUDENT MANAGER**

**First Team Selected—Prospects Look Bright for Victory—Coach Sullivan Wants More Material**

By Howard Scott

A game has been scheduled with St. Johns College for tomorrow at Annapolis. The game is to be played in the morning to give the squad an opportunity to see the Navy-Georgetown game the same afternoon. This will be our opening game and a splendid opportunity for all G. W. fans to see it and another fine game for the price of the trip to Annapolis. The outcome of the game, of course, cannot be predicted with certainty as the squad has had no test with an outside eleven, but with Coach Sullivan's excellent training the team should prove superior.

The St. Johns team cannot be expected to put up a very strong game as it might be classed with either the Maryland team, Washington College, or Western Maryland. The major teams are Johns Hopkins and Maryland State College.

A change has been made in the management of the team, Donald McKnew being promoted to the position of graduate manager of football. Assistant manager Tully C. Garner has been given the position of student manager of football. Both of these (Continued on page three)

## G. W. U. DRAMATIC SOCIETY CHANGES ITS NAME

**To Be Known as The G. W. U. Players—Committees Appointed**

The large attendance at the first meeting of the Dramatic Society, held Tuesday evening in A. & S. Hall, manifests a greater than usual interest this year in the purposes of the Society. A large percentage of the old timers was present and also a quantity of promising new material. President Sol S. Gluck presided.

The committee on constitution reported and the new constitution was adopted, the name of the organization being changed to The George Washington University Players.

A committee for the selection of plays was appointed and assurance is made that a play will be chosen and work begun in the near future.

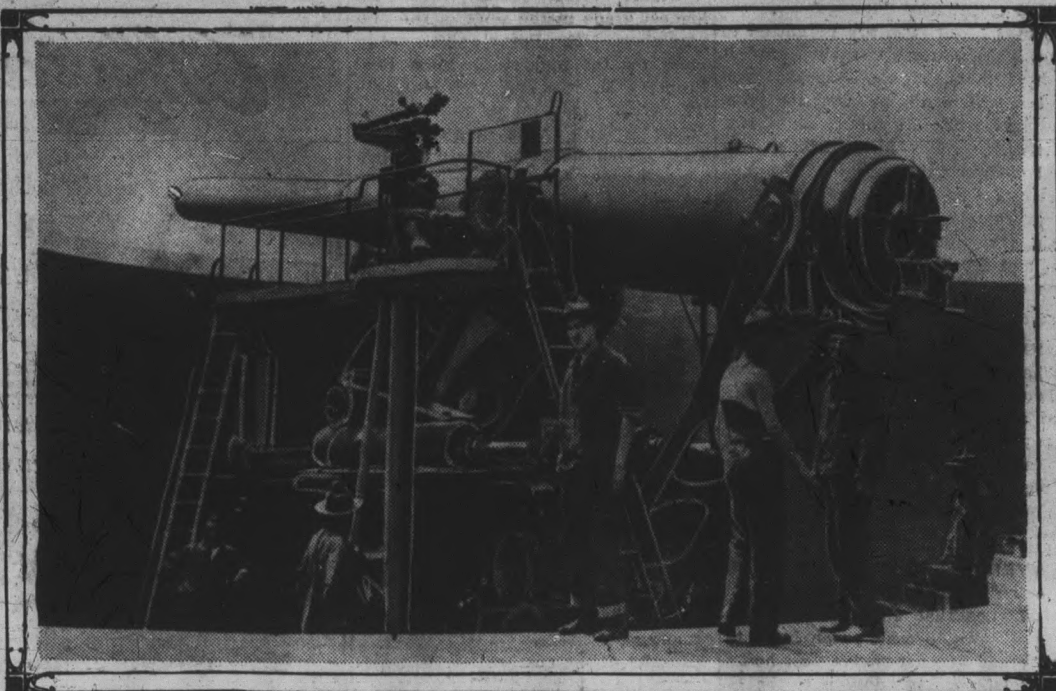

Appointment was also made of a membership committee comprising Miss Inez Ryan, Miss Frances Geschickter and Sol Gluck. Prospective members should watch The Hatchet as to date of tryouts.

The treasury is reported in good condition, members are enthusiastic and all things point to a successful year.

## MASS MEETING MONDAY

THERE WILL BE A MASS MEETING OF ALL STUDENTS REGISTERED IN THE UNIVERSITY MONDAY NIGHT AT 8 O'CLOCK. HALL NUMBER 1 OF THE MEDICAL BUILDING WILL BE USED FOR THE PURPOSE. IMPORTANT!

## G. W. U. Artillerymen Manning Big Gun.

—Courtesy of The Evening Star.

## VACANCIES ON FACULTY COMMITTEE FILLED

**Prof. Croissant, Col. Col., and Mr. Halsey, Eng., Appointed by President's Council—Faculty Changes Made**

At the meeting of the President's Council held October 3, Professor Croissant was appointed a member of the Committee on Student Activities to represent Columbian College, and Mr. Halsey to represent the College of Engineering.

The Executive Committee met September 26, and resolved to give leave of absence to Prof. Joseph Duerson Stout of the Medical School and to Asst. Prof. King of the Law School. Appointments were made as follows:

William Cabell Van Vleck, instructor in law, to be Asst. Prof. of law. Robert Syold to be instructor in law.

James H. Collins to be Associate Professor of Pharmacology and Physiology.

Custis Lee Hall to be Attending Orthopedist to the University Dispensary and instructor in Orthopedics.

William Otis Bailey to be instructor in Materia Medica and Therapeutics.

Joaquin de Siqueira Coutinho to be Professor of Portuguese Language and Literature.

Arthur F. Johnson to be instructor in Naval Architecture.

## ROOTERS TO MOTOR TO GETTYSBURG GAME

The students of this Institution who own cars or whose parents own cars are arranging an automobile party to motor to the game with Gettysburg College, which is to be played at Gettysburg. The machines will meet at 9 a.m., October 14, in front of the Arts and Sciences Building.

The trip will be made by way of Rockville, Ridgeville and Frederick. Those who have already signified their intentions of joining this party with their machines are, Herbert P. Ramsey, John S. Bixler, Tully C. Garner and W. S. Hance.

## ARTILLERYMEN SHOOT HIGH SCORES AT RANGE

**Many G. W. Men to be on Brigade Team—Outdoor Season for Company Closed**

The Coast Artillery Company is very much elated with the record made with small arms during the recent encampment at the Congress Heights rifle range.

The completed tabulation of the scores shows that out of 50 men who fired the course there were 3 experts, 21 sharpshooters and 20 marksmen.

The honor of high score for the week went to Sergt. C. S. Shields who made 223 out of a 250. First Sergt. Newel B. Crain was second with 218 and Sergt. J. A. Ryan came third, with 215.

The first night at the camp gave some of the boys the impression that they had been transplanted to the polar regions. This did not continue as supplies from the Quartermaster's Department arrived next day and included in the shipment was a goodly supply of blankets, ponchos and overcoats.

The overcoats were especially welcomed by the men who drew guard duty as the air was so cool at night that walking their post would not keep them warm enough to be comfortable.

Since the mobilization of the District contingent of the Guard no scorers or coaches have been employed at the range. This condition gave plenty of work to the men of the Company who had been on the range before. Lieuts. Baxter and Hodgkins alternated as range officer and with the aid of the non-commissioned officers as coaches and scorers the scores were completed in schedule time.

As the outdoor season for the year is about closed Captain Burns is arranging to have a full set of plotting (Continued on page two)

## LARGE ASSEMBLY AT LAW SCHOOL OPENING

**Many Speakers Address Students—Prizes Announced—"A" Men Mentioned**

The formal opening of the fifty-first session of the Law School took place Wednesday before last in the auditorium of the Law School building, before a large assembly of students, visitors and alumni.

H. B. MacFarland, of the Board of Trustees, presided, and made the opening speech. Mr. MacFarland announced the unavoidable absence of President Stockton, and in his behalf, made an official statement concerning the movement to raise \$100,000 for a new Law School building. He said \$25,000 had already been raised, and that the Board of Trustees looked forward to graduating the incoming freshman class in a magnificent edifice worthy of the high scholastic standing of the Law School.

William Bruce King, President of the Alumni Association, spoke enthusiastically about the plan to raise funds for a new building, and said that while he and the other members of the Board of Trustees understood that a building was not the most important asset the Law School could have, he was yet quite certain that a better home would add to the prestige of the School, and would bring more students here.

Professor Merton L. Ferson, who last session taught in the late Dean McLain's place at the University of Iowa Law School, was presented to the students. Professor Ferson proceeded to make a most eloquent address on the aims and ideals of the George Washington School.

Prof. Clephane spoke upon the practical side of the legal profession, and defined the requisites of preparation for making a successful practitioner. (Continued on page two)

## STUDENT COUNCIL APPORTIONS TAX

**Betram Groesbeck, Chairman of Sub-Committee on Athletics**

**TO PREPARE ELIGIBILITY RULES**

**Freshman Class Elections to be Under Council's Supervision—To Equalize Work of Athletic Managers**

By Rhesa M. Norris, Chairman

The Student Council held a very important meeting last Monday at which subcommittees were appointed and the apportionment of the tax made. Betram Groesbeck was made chairman of the subcommittee on athletics which will later submit to the Council a list of eligibility rules to govern all athletics.

The important question to occupy the attention of the Council and the one to receive considerable time at the recent meeting was that of the success of the voluntary tax plan. While information is still incomplete and some little time must elapse before the Treasurer's Office will be able to render a comprehensive report, yet everything seems to point to the complete success of the scheme. Much work still remains to be done each department before the field has been fully covered—misunderstandings and "slip-ups" have occurred as is bound to be with any new system. The freshman classes, for example, are new to the proposition and need to have the idea explained to them and be encouraged to sign. But it is believed the final report will show that between 65% and 70% of the student body have subscribed to the fund.

The question of the apportionment of the fund to the different activities was considered by the Council. After consulting with Dean Fraser a resolution was adopted favoring tentatively the following arrangement:

(Continued on page three)

## POSE FOR YOUR CHERRY TREE PICTURE NOW

October 15, one week from now, is the dead line on Cherry Tree Pictures. Every student and member of the faculty must visit Harris and Ewing and pose for a picture, regardless whether they were ever photographed or not.

There is no need to bother with a ticket or other identification, it has been announced. It will cost nothing to obtain a sitting, but ten cents will be collected later.

The very low rate for sittings has been obtained with the understanding that all pictures will be taken by October 15. See the photographer now.

## Hatchet Distributed Free

The second issue of The Hatchet is being distributed free, instead of mailed to tax and other subscribers, as complete lists of the activities tax subscribers are not yet available. It is hoped that students will sign for the tax with their names as soon as possible so that it will facilitate matters in getting The Hatchet to you on scheduled time.

## Football

Tomorrow's game with St. Johns College will be one of great interest to local sporting men in that it will allow them to form a fair idea of the strength of our eleven. Altho very few G. W. students will see this game yet it should be looked upon as a big event in the life of activities at this institution. This will be the first time the University has been represented on the gridiron for a number of years.

Altho nearly three teams have been reporting regularly up to the time of the opening of college some of the players have found that this sport could not be carried along with their studies. Consequently a few of the men have left the squad. The first team has been chosen, but for those who are acquainted with the game there is always room for a stronger or more experienced man. More men are wanted. Coach Sullivan has been making that and similar statements since the college opened its doors. Every man is given a fair and equal chance with the other man whether he is heavier or not. Its fighting spirit that will put you on the eleven. If you have had any experience in football you should talk with Coach Sullivan.

In a talk to the Delta Taus last Tuesday night Coach Sullivan especially urged the students to hold a mass meeting so that they all might better understand the football situation. There is a great deal more work connected with this project than the average student thinks.

The proposed motor party to the Gettysburg game October 14 shows that the old-time pep and spirit is returning. Those students who are willing to make a round trip of some 200 miles in an automobile to see the home team play are surely showing interest in the welfare of their University's activities. This party is open to all. See your friend with a machine and make him or her take you. The beautiful fall scenery along the mountains should induce a number to make the trip. Make this party big. The bigger the party the bigger the noise. Awake Gettysburg to the fact that a distance of 100 or so miles does not make much difference to the rooters of George Washington University.

This is a good time for some one to compose some snappy yells and songs. The Hatchet will bring those submitted to it up before the Students Council for adoption.

For those students who claim they are unfortunate in not being able to take part in student activities should see the student manager of football.

## GIRLS TO DISCUSS BASKETBALL TODAY

To Elect Managers—Tentative Schedule Arranged—Question of New Uniforms to be Brought Up

A meeting for all girls interested in basketball will be held today after chapel services in the A. & S. Assembly Hall. Plans for the coming season will be discussed and the question of new uniforms is also to be brought up. The names of a manager and an assistant manager elected at this meeting are to be submitted to Graduate Manager Baer for approval. The girls are permitted to choose their own gymnasium, and it is most likely that the Epiphany gymnasium will again be used for practice this year. At the close of last season Miss Theodosia Seibold was re-elected captain.

A tentative schedule of games include Temple University of Philadelphia, Swarthmore, Barnard, Gallaudet, and the E. H. S. Alumni of Baltimore.

## MORE LEGAL AID MEMBERS

The Legal Aid Society of the Law School, which gives free legal advice and assistance to those unable to pay practicing attorneys, announces the enlargement of its membership through the addition of students from the second-year law class.

## LAWYERS NEED COLLEGE YEAR

Beginning this year the Law School will require that all students under 21 and over 18 who enter have to their credit at least twelve year hours of college work in addition to the 15 high school units that all applicants are required to have. This raising entrance requirement is done to maintain the high scholastic standard that the Law School now enjoys. This action was announced last fall to be effective this fall.

In spite of this raise in standard, registration of first-year students is as high, if not slightly higher, than last year.

## MARRIAGE ANNOUNCEMENTS

Miss Frances Detrich and Harold G. Sowders, Law '18, are to be married October 18.

Carl M. Wynne, Law '16, and Miss Florence Moore have announced their marriage to take place October 17.

## REPORT OF REGISTRATION

Up to and including Sept. 30, 1916.

|                   | Oct. 2, 1915. | Sept. 30, 1916. |

| Veterinary        | 60            | 68              |
|                   | 1237          | 1283            |

## GRAVES STARS AT TENNIS

John T. Graves, captain of the George Washington tennis team, came to the front in the recent District tennis championship matches at the Dumbarton Club. He caused a sensation by defeating Dudley D. Morgan, who had been conceded the victory in straight sets, in the semi-finals. The victory brought Graves and Van Vlier of the University of California together for the championship. Graves stuck to a defensive game against the Californian and lost in three straight sets.

With the Coast Artillery Company, our students in the Guard at Camp Ordway and the Vets joining the cavalry, the G. W. student who is not a soldier is like a slacker in England.

## LAW SCHOOL OPENING

(Continued from page 1)

He, too, emphasized the high standards of G. W. U. Law School.

Rhesa M. Norris, President of the Student Council, in a short address requested the students to support of the Vountary Tax, and the proper backing up of football.

L. E. Pendell explained the objects of the Columbian Debating Society, and invited all present to become members.

Dean Fraser, the last speaker of the evening, announced the following prizes: Ordonaux Prize Scholarship for 1915-1916 to David Hoogland Cannon, '17; Phi Delta Phi Prize of \$25.00 to Gerald Vernon Welkert, '18, for the highest grade in the work of the first year class. John Byrne and Company Prize for the highest grade in Real Property II, to Chas. Orr Marshall, '17.

The "A" men of the third year class were announced to be Harry E. Henneman and L. O. Hutchinson. Of the second year, they were H. L. Brown, E. R. Chamberlain, O. A. Johannesen, J. A. Osolinach, I. M. Spaulding and H. S. Taylor. Of the first year, they were E. W. Dieserud, C. M. Dowell, Herbert H. Porter and Gerald V. Welkert.

## ARTILLERYMEN SHOOT HIGH SCORES

(Continued from page 1)

room instruments set up in the big drill hall. With the aid of a miniature ship which can be traversed back and forth across the drill hall, reading can be taken and ranges plotted. This device will enable the company to have artillery drill at the armory.

Results of the competition held Friday on the rifle range of the National Guard of the District of Columbia at Congress Heights, D. C., for positions on the brigade rifle team which will represent the guard in the national matches at Jacksonville, Fla., were announced by Lieut. Col. Thomas S. King, N. G. D. C., retired, director of the rifle range and captain of the team.

They are:

| Name, rank and organization.                | Total. |
|---------------------------------------------|--------|
| 1st Sergt. N. B. Crain, 1st Co., C.A.C.     | 170    |
| Pri. H. F. Richardson, 1st Co., C.A.C.      | 170    |
| Sergt. J. A. Ryan, 1st Co., C.A.C.          | 169    |
| Sergt. C. S. Shields, 1st Co., C.A.C.       | 166    |
| Pri. J. E. Larsen, 1st Co., C.A.C.          | 161    |
| 1st Lieut. C. C. Baxter, 1st Co., C.A.C.    | 159    |
| Lieut. P. D. Johnston, Naval Bat.           | 159    |

| Gunner's Mate W. E. Peake, Naval Battalion  | 113    |

## TENNIS LEADERS NAMED

John Temple Graves was elected captain by the tennis team at the close of the season, and Fenton Fadeley has been re-appointed manager for the coming year. The post-season match scheduled with Catholic University was not played.

## FOUR-YEAR DENTAL COURSE

The class that is now entering the Dental School will be the last to complete its course in three years. Beginning with the fall of 1917, a four-year dental course will be given in order that the work may be up to the standard recently adopted by the National Association of Dental Faculties.

## DEAN WILBUR RECEIVES DEGREE

The degree of Doctor of Letters was conferred upon Dean Wilbur last summer by his Alma Mater, Brown University of Providence, R. I., in recognition of his services for education and as Dean of Columbian College of this University. The degree was conferred on account of Dean Wilbur's many years of acceptable teaching, and gives to the friends of Dean Wilbur in this institution and elsewhere much pleasure.

## THE ENOSINIAN SOCIETY

This Society has as its object the cultivation of ease in public speaking, practice in English composition, and familiarity with parliamentary conduct. The college student, thru the mere fact of his superior education, after leaving college, is frequently called upon and expected to speak in public, to express his thoughts on paper for public consumption, and to participate in private and public meetings where a knowledge of parliamentary law is essential. To help the students so train their faculties is the purpose of the Enosinian Society.

The profit to be derived from an ability to speak in public is more far reaching than we are likely to at first realize. Ease in thought and action before an audience has in its wake a train of other accomplishments, probably more important to the average person than an ability to speak in public. If we can think and act in an antecedent condition that we possess, and since we are all social creatures, and our social relations are something which we cannot avoid, it behooves us by all means possible to be master of ourselves in such relations.

There are many students, especially of the last evening classes, who feel that they cannot afford the time required by membership in the Enosinian Society. The question should rather be whether they can afford to lose the opportunity offered them. As President Stockton suggested in his foreword to the booklet of student activities recently issued, organizations for self-help (such as the Enosinian Society) should claim the first attention of the serious student; if necessary, a sacrifice should be made in order to enjoy the benefits which they provide.

The Enosinian Society in addition to being the oldest literary society in the District of Columbia, having been organized in 1823, is also the only one in the Arts and Sciences Department. It has had a remarkable past; its membership list includes many of the most celebrated names in Amer-

ican history—something which can be said of very few college societies of a local nature—and it deserves the support of the student body. It is therefore hoped that at the initial meeting next Monday evening a large number of both day and evenings students will be present to take up the work of the present year.

W. G.

## SOME "SECRET" CODE

The girls of the Department of Arts and Sciences never miss a notice, a note or telephone message that should be delivered to them.

In the rest room of the Arts and Sciences Building, 2023 G street northwest, there is a mirror, the only mirror in the room, under its edge are placed the messages, and the girls never, never miss receiving them.

The four sororities of G. W. U. join in offering their deepest sympathy to Miss Edith Thomas, Pi Beta Phi, at the loss of her mother. Mrs. Thomas died September 16.

## Alumni Notes

Dr. Rudolph H. von Emdorf, an alumnus of this University when it was Columbian University and one of the foremost surgeons and investigators of the U. S. Public Health Service and known internationally for his malarial research work, died September 8 while on duty near Lincoln, N. C.

Dr. von Emdorf specialized in yellow fever and malaria, and served as quarantine officer in Santiago de Cuba during the United States intervention. He also was quarantine officer for the isthmian canal commission at Cristobal and Colon for several years and did much work in the southern part of the United States.

Dr. H. S. Lewis, who has been connected with the Emergency Hospital since 1904, and superintendent for six years, has resigned from that institution. He is a graduate of the Medical School. He intends to devote his time to private practice.

During his connection with the hospital Dr. Lewis has handled more than 8,000 bone surgery cases. He has been in charge of emergency work at several serious accidents.

Howard Bartle, Law School graduate and a patent lawyer, died this summer at his residence in the Gotham apartments, following a long illness.

Dr. George P. Prewitt, for years an employee of the War Department, died at Sibley Hospital this summer after an illness of two weeks. He was 59 years old.

Dr. Prewitt studied medicine at George Washington University. He had an active practice in addition to his regular work at the War Department.

Louis W. Maxson, graduate of law when G. W. was Columbian University, died the latter part of the summer at Johns Hopkins Hospital. Mr. Maxson was fourth assistant examiner in the patent office.

Henry Ward Brown, son of the late Samuel P. Brown of this city, died at the South San Francisco Hospital June 16. He had been ill for some months. He was 64 years old.

Mr. Brown, who was a graduate of the collegiate and law departments of Columbian University, was for six terms a member of the California State assembly and took a prominent part in its deliberations.

Ann Lewis Pierce, M. S., '97, who was Dr. Wiley's principal assistant in editorial work, has been made assistant editor of the New York Tribune at a salary of \$5,200 a year.

## WANTED

Some hustling young men to secure subscriptions and advertising for The Hatchet. Ten per cent discount given on all contracts brought in. See the business manager or either of the editors in The Hatchet Office, third floor front in the A. & S. Building. Don't miss this chance to earn a few extra dollars.

## STUDENT COUNCIL POSTPONES MEETING

The G. W. Student Council has postponed its scheduled meeting for Monday evening to the following Thursday. The members are urged to attend the mass meeting.

## FOOTBALL SCHEDULE

Oct. 14.—Gettysburg at Gettysburg.  
Oct. 21.—Western Maryland at home.  
Oct. 28.—Johns Hopkins at Baltimore.  
Nov. 4.—Ursinus College at home.  
Nov. 11.—Open.  
Nov. 18.—Hampden-Sydney at home.  
Nov. 25.—Open.  
Nov. 30.—Georgetown at Georgetown.

## FRESHMAN LUNCH CHANGED TO RECEPTION

Speeches Made On Activities—  
Large Crowd Attends

The girls' annual freshman lunch was changed to a reception this year on account of the large number of new students to be accommodated. It was held last Saturday afternoon from 2 o'clock until 4 in the Assembly Hall which was crowded at all times.

Miss Seibold made an address of welcome explaining the various college activities and whom to see about them more specifically; Emma Reh about the Art Society, Inez Ryan about dramatics, Charlotte Stimpson for basket ball, Fay Pierce, Women's University Club and Marie Gatchell, Glee Club.

Those in charge were the Misses Theodosia Seibold, Gertrude Fogerty, Emma Reh, Elizabeth Davis and Lucy Burlingame, of the Sphinx Honor Society, and Miss Fay Pierce of the Women's University Club.

## ST. JOHNS GAME TOMORROW

(Continued from page one)

men are very well fitted for their positions and are consistently hard workers.

The team is now getting a hard workout daily for the St. Johns game in order to roll up a good score. A resume of our first squad is very conclusive evidence. Hillis at fullback is a heavy but swift man and sure ground gainer, Pepper at quarterback is a brainy player and a good booter, Heffernan and Burke, the halfbacks are men of reputation and sure bets. At center, there is strong competition between Giblin and Genesee both excellent players. Genesee has the advantage of weight and college experience. The strength of the line is uncertain, but there are some men of established ability, these are Kerr and Gillespie who also have the necessary weight. The team will not be heavy, but there will be a fight there that will make up doubly for any lack in that possible advantage.

Of the numerous candidates for end it is hard to pick the pair that will start in the opener, but they will doubtless be picked from the capable quartet Niederhauser, Wilson, Koogle and Eckendorf. The Harmon Brothers from West Virginia University are likely to find a place in the line. Too much cannot be said for Hillis who is sure to become the mainstay of our backfield.

Although St. Johns made a poor showing last season they should not be underestimated as their team is built of veterans who have worked together. The game will be called at 11:00.

The election of captain of the team will be held shortly, Hillis having been temporarily appointed by Coach Sullivan for this position.

The game with Eastern College has been canceled which leaves an open date.

Harold Selden, a local athlete of all-around reputation, has joined the squad. He has a splendid reputation as a tennis and baseball player.

The past week is marked by a rapid development of the team in size and capability. Several men of recognized standing have joined the squad namely Genesee, of Colgate, an exceptional player, Gronna, Taylor, Grenfell, Franke, Harmon, L. W. Jones, and Nelms.

The attendance has been good, three teams being on the field occasionally, up to the opening of the colleges. Several scrimmages have been held besides the routine work of tackling the dummy, running down punts and the bucking exercises. The usual line-up of the first team for scrimmage is: Eckendorf, L. E.; Gillespie, L. G.; Giblin, Center; Turner, R. G.; E. E. Harmon, R. T.; Koogle, R. E.; Pepper, Q. B.; Heffernan, L. H. B.; Burke, R. H. B.; Hillis, F. B. Kebler has been made quarterback of the second team.

## G. W. SCORES ONE TOUCHDOWN; C. U. TWO

The first real scrimmage of the season for the G. W. team was held with the Catholic University eleven last Wednesday evening, which ended with C. U. one touchdown to the good. Altho greatly outweighed the G. W. gridironers scored one touchdown against two by the Brooklanders.

This is exceptionally pleasing as the Catholic University squad has been drilling for a longer period. The touchdown made by Sullivan's men was the result of a blocked kick by Gillespie resulting in a touchdown by Koogle. The coaches of both teams remained in the backfield giving directions and noting points for improvement. Every man on the George Washington squad was given a trial.

## STUDENT COUNCIL APPORTIONS TAX

(Continued from page 1)

|                           |        |      |
|---------------------------|--------|------|
| Athletics                 | \$3.60 | 45%  |
| Cherry Tree               | 1.52   | 19%  |
| Hatchet                   | .56    | 7%   |
| Hospital and Medical Fund | 2.00   | 25%  |
| Miscellaneous             | .32    | 4%   |
|                           | \$8.00 | 100% |

There is but little doubt but that certain readjustment will need to be made as other matters will likely present themselves that will need attention and support. But for the present the above proportions will stand until suggestions and criticisms show us where changes are desirable.

To assist Manager McKnew in devising a suitable system and placing it into operation a committee on athletics has been appointed consisting of Groesbeck, chairman; Patterson and James. Football has brought with it many troublesome details and at the present time the large amount of work falling on Mr. McKnew is more than he can rightfully be expected to bear. So it is necessary to cooperate with him in settling upon means for apportioning the work among the assistant managers and student assistants to the end that the most satisfactory results may be obtained. This committee has also the task of drawing up and submitting to the Council a set of eligibility rules to govern athletics and other activities.

Freshman class elections will hereafter be held under the supervision of the Council, the member or members from each department seeing to the necessary arrangements for such particular department.

In every way possible the Student Council desires and intends to work for the best interest and advancement of the school. However, the main function of this body will be merely to organize and supervise. The inducing of men to compete for athletic teams, managing jobs and other activities, the seeing of men who still have not signed the voluntary tax card and urging them to sign, the promotion of class and college spirit by various and sundry means must all be thought out and furthered by the Council.

## PRESIDENT ON MILITARY BOARD

H. H. Sheets, secretary of the Association for National Service which is devoted to the principle of national military training, has notified President Stockton of his election to membership in the National Advisory Council. Among the members of this council are such men as Governor Charles S. Whitman, J. W. Wadsworth, jr., Perry Belmont, Theodore Roosevelt, jr., Col. G. Read and others.

## PARADED FOR PREPAREDNESS

Faculty and students of the University paraded in the Preparedness Parade down Pennsylvania Avenue on June 14. Led by a University band and a band, the faculty and student delegations from each of the colleges created an excellent impression. The graduating class wore cap and gown, while all the men students wore straw hats, and the girls were dressed in white. The nurses marched in uniform. The undertaking was financed by the University and organized by Dean Fraser and the Student Council.

## University Calendar

The Columbian Debating Society will hold its first meeting of the 1916-1917 session tonight, in north hall of the Law School, 13th and New York avenue. The subject for debate is "Resolved, That the Swiss System of Military Training Should Be Adopted in the U. S."

Mass Meeting, October 9, of all students in Hall No. 1 of the Medical School. This meeting is important.

The Enosinian Society holds its first meeting October 9, at 8:15 o'clock in the A. & S. Assembly Hall.

The track candidates will meet, October 11. The time of day and place have not been decided. They will however, be posted on the bulletin boards.

The Board of Trustees will hold its stated meeting October 11.

Chemical Society on October 11 will hold its first meeting in the chemistry hall of the Medical Building. All students taking any chemical course are eligible to membership. Dean Charles E. Munroe, honorary president, will address the meeting.

Engineering Society meets October 11, to elect officers for the coming year. All engineers should be present.

## How do your cigarettes treat you AFTER you smoke them?

(This is a test that few cigarettes can stand up under)

Many other good cigarettes besides Fatimas taste mighty good—WHILE you are smoking them. Fatimas are not the only good ones. Although Fatimas taste so good that they continue to outsell any other cigarette costing over 5c.

But Fatimas deliver something more than good taste. They will give you cigarette comfort—comfort while you are smoking them and comfort AFTER you smoke them.

While you are smok-

ing them, they will feel cool and comfortable to the throat and tongue.

And AFTER you smoke them—even though you may smoke more than usual—they will leave you feeling as you'd like to feel. No heavy or "heady" feeling—none of that "mean" feeling of having smoked too much.

All this is the reason why Fatimas are called a SENSIBLE cigarette.

Yes—some day you will try Fatimas. Why not do it today?

## Departmental Notes

### COLUMBIAN COLLEGE

George S. Cooper, Jr., '18, is attending West Virginia University this year, where he is assistant instructor in chemistry.

### ENGINEERING COLLEGE

Erwin Harsch, B. S. in C. E., '14, has accepted a position as instructor in civil engineering at the University of Tennessee, the institution at which Prof. Dougherty, who taught here last year, is in charge of civil engineering. Harsch has been connected with the Coast and Geodetic Survey.

Prof. Dunston was in Kansas during the summer on work for the War Department.

H. D. Hatfield was married shortly after his graduation in June. He spent his honeymoon in Canada, after which he worked with the Remington Arms Company at Bridgeport, Conn., where he was assistant to the Superintendent of Production and assisted in installing a new system of scientific management, taking time studies, fixing speeds and computing costs.

McNeir Smith who was taking an E.E. course last year goes to Cornell October 9.

Dean Howard L. Hodgkins has been appointed a member of the committee on statistics of the Society for the promotion of Engineering Education.

The course on Naval Architecture has already been started. There is a possibility of a class of over 15 students.

Dean Hodgkins has announced that all of last year's graduates in engineering have received splendid positions.

Among the Engineering students attending the Summer School in engineering were Degnon, Woodward, Heald and Campbell. It is to be wished that some of the rest of us had this much energy.

M. F. Fisher, Eng., '17, was married this summer to Miss Mildred J. Tegeier. They spent their honeymoon at Harpers Ferry.

Mr. Halsey spent the summer in the designing department of the Sharpless Cream Separator plant, where he had the good fortune to work under the direction of the Superintendent of design, a man who has over 20 years' experience in automatic machinery design. Mr. Halsey is to have full charge of the drawing courses in engineering.

Louis Lawych, '17, is with the Signal Corps, N. G. D. C., at Bisbee, Ariz., as a sergeant. He is anxious to be back in college.

McClain B. Smith, B. S. in E. E., '16 is with Dr. L. A. Bauer, at the Department of Terrestrial Magnetism, Carnegie Institution; "Smittle" is in the Observatory Division, computing results from the "Carnegie" and enjoys the work.

B. V. Stroop, C. E., '18 has had a visit from the stork, which presented him with a promising young Civil Engineer. We sincerely hope that Douglas James Stroop will become as good man and as earnest a student as his dad. Please read this to the youngster, Stroop!

### COLLEGE OF PHARMACY

The Junior Class held its annual elections last Wednesday. Stevens Hughes was elected president. The ballots disclosed that L. C. Thornton and H. L. Faulkner were tied for the vice-presidency. Mr. Thornton withdrew in favor of the other candidate and Faulkner's election was made unanimous. Mr. Thornton was then chosen secretary and Mr. C. S. Bow-

man, treasurer.

"Wally" Fuhrman is in charge of the first social evening and Mr. Faulkner is to be host. The program will be announced later.

Homer Butler, formerly assistant to professor Bradbury went into business for himself during the summer. He is a graduate of the College.

M. Schwartz spent his vacation visiting in northern cities.

"Bubby" Bowman meandered south and "took in" the sights of Palm Beach and Jacksonville.

Professor Bradbury spent the summer in Boston, going by sea. His assistant, Alois Burgher, "took in" Atlantic City, via Philadelphia.

Raymond Bjorgo is working for the Great Western Sugar Co. at Ft. Collins, Colorado. He sends greetings to all his Washington friends.

### LAW SCHOOL

The Walter Clark Law Club, the only organization of its kind in the Law School, is preparing for its second year of work with enthusiasm. The organization was established last session at a meeting called by Max Rhoads. From the date of its inception the Club held regular weekly meetings, and it accomplished such noteworthy work that it called forth special commendation in the Law School Alumni Bulletin.

Max Rhoads and Walter Cunningham, B. A., both of the Junior Class in the Law School, have been appointed the assistant librarians in the law library.

### DENTAL SCHOOL

Meeting for the first time to elect officers of their class, the new seniors gave the honors to the following members:

George W. Lady, President; Frank W. Douglas, vice-president; Daniel S. Lockwood, secretary-treasurer, and Lawner W. Bowen, class editor.

The Senior Class regrets the loss of Paul S. Gillian, president of last year's junior class.

The Junior Class of 1916-17 held a meeting to organize for the second time and the result of this meeting was the election of the following officers:

Henry C. Lowry, president; John B. Cooping, Jr., vice-president; Michael Harris, secretary; John A. Boston, treasurer, and Roger A. Brown, editor. The Class unanimously favored the readoption of the honor system.

### VETERINARY COLLEGE

The admission requirement for the Veterinary College has been raised from second class civil service examination or two years of high school work to first class civil service examination or high school diploma, in accordance with the regulations of the Bureau of Animal Industry.

### TEACHERS COLLEGE

Dr. W. S. Small taught at the summer school at Johns Hopkins University. Dr. Small also planned to take part in the Teachers' Institute in Maryland, but was prevented by illness.

Arthur D. Call and family spent the summer in Maine.

Dean Ruediger spent part of his vacation moving to his new residence, 2638 Twenty-sixth street.

Students wishing to take Story Telling are so numerous that another class has been organized. Miss Marie Stockard is in charge.

Miss M. E. Wheatley, who has had a number of years experience in teaching in Virginia and Maryland is taking work at this College in the afternoon.

## With The Greeks

### SIGMA PHI EPSILON

Among the visitors during the summer were: John W. Shaw, Georgia University, Howard A. Weber, Lehigh, and Mr. English, of Cornell.

J. W. Webb and Frank A. Hart, visitors from Alabama are stopping at the Sigma Phi Epsilon, studying for the Navy exams.

This Fraternity held its first rush September 23, at its new Chapter House on K street. On September 27 the first rush smoker was held. The first dance took place the following evening.

### THETA DELTA CHI

Theta Delta Chi announces the pledging of William K. Wilbur, Columbian College.

On September 27 this Fraternity held its first smoker at its new house, 1842 Calvert street.

### KAPPA SIGMA

The Kappa Sigma gave its first rush smoker of the season last Saturday evening. Dean Fraser spoke on athletics and University life in general.

### KAPPA ALPHA

Kappa Alpha gave its first smoker last Friday at which about 50 members were present.

This Fraternity will give a reception on Sunday, October 8, from 3 o'clock until 7 in honor of the President and Mrs. Charles Herbert Stockton. The guests invited to meet the President and his wife include the members of all the fraternities and sororities and societies of the University as well as the faculty members.

James Carson, of North Carolina and Hugh Elliott, of Missouri were among the visitors of Kappa Alpha the past week.

### PI BETA PHI.

Miss Margaret Prentiss and Miss Ruth Pope were guests of Miss Marion True at her summer home in Maine.

### DELTA TAU DELTA

A speech by Dean Everett Fraser, music by the American-Hawaiian trio, and a specialty by George Degnon featured the Delta Tau Delta smoker, held at the house of the local chapter last Friday. Among the guests present was Dean William Allen Wilbur, Dean of Columbian College.

Gamma Eta chapter of Delta Tau Delta will be host at two smokers for this week, to be held at the chapter house, 1810 N street northwest.

Delta Tau Delta will hold its first formal house dance of the season, October 10.

### PHI MU.

Miss Harlette Haines, Phi Mu, from Atlanta, Ga., paid a short visit to Miss Josephine Jonas early in the summer.

Miss Anna Washington, Craton Phi Mu, '15, who spent last winter teaching at St. Hilda's Hall, Charlestown, W. Va., has returned to Washington to take up social settlement work.

### SIGMA CHI

Sigma Chi held a successful smoker Thursday, September 28, which was to be noted for the number of last year's men who were returning to school.

### SIGMA ALPHA EPSILON

This Fraternity has the distinction of being the first to pledge a freshman this year. Frederick Calkins, C. C., was pledged the week preceding the opening of College.
